DEDICATION
OF THE
1995 ANNUAL REPORT

ABBIE AND ALBERTA SIMES

The Town of Kingston is honored to dedicate this year's Town Report to two admirable women, Alberta and Abbie Simes. Fondly referred to as the "Simes Twins", these sisters are an integral part of the Kingston community and its activities.

Born on September 11, 1914, Abbie and Alberta attended Kingston's public schools and Sanborn Seminary. They are quick to tell you that, unfortunately, they are not "life-long" residents as they did not move to Kingston until the ripe old age of 2 1/2.

Not content to be idle, Alberta and Abbie continue to keep a busy schedule volunteering their time to benefit the community. On Wednesdays, they can be found at the Community House sorting and selling clothes to benefit the Senior Citizens' luncheon. Mondays will find them at the Town Hall helping with these luncheons, setting the tables or offering a hand in the kitchen. And always with a smile.

Abbie and Alberta are known for their devotion to family and friends, their sense of community and sense of humor, their gentle nature and strength of character. They epitomize that which is best about Kingston and we are proud to honor them with this year's dedication.

MINUTES OF CONTINUED TOWN MEETING AT SWASEY
GYMNASIUM - MARCH 15, 1995

The Moderator, Electra L. Alessio, called the meeting to order at 7 PM, and all saluted the flag. She then introduced the three Supervisors of the Check List: Robert L. Pothier, Jr., Walter S. Clark, Sr. and Leo J. Moriarty; The Selectmen: Donald W. Briggs, Jr, Chairman Stamatios Yiokarinis and Jeremy D. Russman; The Town Clerk-Tax Collector, Bettie C. Ouellette; and the Budget Committee: Chairman Ellen Faulconer, Henry Chabot, Norman Hurley, Marilyn Bartlett, Roxanne Moore, James Rankin, William Eckel, Colleen Hammond, Carroll Wright, Travis A. Jones and David Currie. She specified an area to her left as the non-voting section.

Selectman Donald W. Briggs, Jr. presented a plaque on behalf of the Town of Kingston to Chief Neil R. Parker who retired after serving 27 years as Chief of Police. He was given a standing ovation.

Then Stamatios Yiokarinis, Chairman of the Board of Selectmen, presented a plaque and a basket of flowers to Mrs. Olive F. Moriarty who has served as Treasurer for the past 20 years. The citizens also gave her a standing ovation.

After that, Selectman Jeremy D. Russman thanked Donald W. Briggs, Jr. for his three years service as Selectman and wished him well in his new position as Chief of Police. He was also accorded with a standing ovation.

The Moderator announced the results of yesterday's balloting, including the three zoning questions. All votes on articles were by voice, unless otherwise specified.

ARTICLE 2 - A motion was made and seconded to raise and appropriate $2,241,004.00 to defray Town charges for the ensuing year. During the discussion, an amendment was made by Neil R. Parker, and seconded, to add $2050.00 to the Family Mediation Services in the line item budget.

With the permission of the people, Kristina Emmonds, coordinator of the program, addressed the citizens and explained the various advantages of the program. A motion, made by Peter Southwick, to cut off debate, was passed, but the amendment was NOT carried.

Then it was voted to raise and appropriate the original amount of $2,241,004.00 to defray Town charges for the ensuing year.

The Moderator referred the voters to page A19 regarding the figure of $255,452.00 as the 10% maximum to be spent above the amount recommended by the Budget Committee.

ARTICLE 3 - This article, relative to the purchase of the house at 161 Main Street (next to the Town Hall) for library and Town building space needs, was NOT passed. During the discussion, a motion made by Peter Southwick, and seconded, to cut off debate, was NOT passed. Mr. Southwick challenged the Moderator on her declaration and a show of hands clearly showed the Moderator to be correct. The discussion continued until it was voted to table this article, on a motion made by Peter Southwick. On a motion made by Alan Ard it was voted "to restrict reconsideration of this article tonight".

ARTICLE 4 - It was voted to raise and appropriate the sum of $19,000. for the purpose of constructing renovations to Town Buildings to comply with the American With Disabilities Act.

ARTICLE 5 - It was voted to raise and appropriate the sum of $12,000. to be used to repair the roof at the Highway Garage.

ARTICLE 6 - It was voted to name the Nichols Memorial Library Trustees as agents to expend for the Nichols Memorial Library Reserve Fund for future library expansion as created by the 1990 Town Meeting.

ARTICLE 7 - It was voted, as amended, to raise and appropriate the sum of $10,000. to be added to the existing Nichols Memorial Library Reserve Fund for future library expansion and name the Nichols Memorial Library Board of Trustees as agents. The original article started at $100,000., but it was amended to $10,000. on a motion made by Norman Hurley. Then it was voted to cut off debate, on motion made by Steven Smith, and the $10,000. was voted.

ARTICLE 8 - It was voted to raise and appropriate the sum of $8,991. to be placed in the Capital Reserve Account for future replacement of the Ambulance. Said sum represents the collected Ambulance fees for 1994. Kingston residents are not charged for ambulance service.

ARTICLE 9 - It was voted, by secret ballot, to raise and appropriate the sum of $40,000. to be placed in the previously established Fire Department Capital Reserve Fund for Apparatus Replacement.

YES 203 NO 99

Residents assisting the Supervisors of the Check List were Holly Ouellette and Carolyn Harlow. Marilyn Bartlett, Sheila Briggs and David Conant assisted in counting the ballots.

ARTICLE 10 - Voted by written ballot Tuesday.

ARTICLE 11 - Voted by written ballot Tuesday.

ARTICLE 12 - Voted by written ballot Tuesday.

ARTICLE 13 - The Moderator ruled that this article was contingent on the outcome of the secret ballot on Article 9, so moved on to Article 14.

ARTICLE 14 - It was voted to raise and appropriate the sum of $25,000. to be placed in the Capital Reserve Fund established at the Town Meeting of March, 1992 for the replacement of Highway Department dump truck with plows and sander, and to name the Board of Selectmen and the Road Agent as agents to expend.

At this point, the Moderator made the announcement of the result of the secret ballot on Article 9, and she returned to take up Article 13.

ARTICLE 13 - It was voted to raise and appropriate the sum of $137,786. to purchase a new Fire Engine and to authorize the withdrawal of $137,786. from the Apparatus Capital Reserve Fund, created for that purpose.

ARTICLE 15 - This article, relative to raising and appropriating the sum of $23,000. to fund a fifth full time employee for the highway department, was NOT passed.

ARTICLE 16 - It was voted to pass over this article, relative to raising and appropriating $9,000. to be placed in the Fire Department budget to fund the Fire Department Physical Program. Motion was made by Alan Alpert.

ARTICLE 17 - It was voted to raise and appropriate the sum of $2,750. to purchase Supplemental Disability Insurance for the members of the Kingston Fire Department.

ARTICLE 18 - It was voted, as amended, to raise and appropriate $110,000. for the acquisition of the Kingston Fairgrounds and the development of recreational facilities at the above mentioned site. Said land and facilities to be under the direction of the Board of Selectmen. The first amendment (to $110,000.) was made by Atira, and the motion to cut off debate on the first amendment was made by Steven Smith. An editorial change was made to change the "Kingston Recreation Commission/Recreational Land Development Committee" to "Board of Selectmen".

A second amendment, introduced by Craig Barlow to amend to $130,000., was NOT passed. It was voted to cut off debate on a motion made by George Schiller, and the article, as amended to $110,000. was passed.

ARTICLE 19 - It was voted, on a motion by Joline Bell, to pass over this article relative to raising and appropriating $40,000. to be used for the development of recreation fields/facilities under the direction of the Recreation Commission/Recreational Land Development Committee.

ARTICLE 20 - This article, relative to raising and appropriating the sum of $10,000. to be added to the Capital Reserve Fund established in the 1987 Town Warrant #46, for the purpose of conservation land purchase and associated costs, was NOT passed.

ARTICLE 21 - It was voted to pass over this article relative to authorizing the expenditure of funds in the Capital Reserve Fund established in the 1987 Town Warrant #46, for the purchase of properties identified on the Town Tax Map as R18-33A, and R18-31 and 32. Said properties shall be placed under permanent conservation easement and added to the adjacent Town property R18-33, known as "E.T.'s Landing", which is currently under permanent conservation easement.

ARTICLE 22 - It was voted to establish a capital reserve fund under the provisions of RSA 35:1 for the purpose of purchasing cable television equipment; and to raise and appropriate the sum of $9886.58 to be placed in this fund; and to designate the Board of Selectmen and the Cable Advisory Television Committee as agents to expend.

ARTICLE 23 - It was voted to raise and appropriate the sum of $15,000. to be used to cover the cost of the installation of a traffic light at the intersection of Route 125 and New Boston Road, funds to come from the Fund Balance as of December 31, 1994, to be encumbered until December 31, 2000 and to name the Board of Selectmen as agents to expend

ARTICLE 24 - It was voted, as amended, to raise and appropriate $14,000. to be added to the Landfill Closure Trust Fund for the ongoing engineering costs in preparation of the future closing of the Landfill. The amendment was made by Carroll Wright.

ARTICLE 25 - It was voted to authorize the Board of Selectmen to create a Kingston Celebration Committee and appoint 12 members for the purpose of planning and conducting an annual Kingston Celebration.

ARTICLE 26- It was voted to create an Expendable General Fund Trust Fund under the provisions of RSA 31:19-A to be known as the 325th Anniversary Celebration Trust Fund for the purpose of providing seed money for the 325th Celebration; and to raise and appropriate the sum of $10,000. for this purpose.

ARTICLE 27 - It was voted to create an Expendable General Fund Trust Fund under the provisions of RSA 31:19-A to be known as the Annual Kingston Celebration Trust Fund for the purpose of providing seed money for annual celebrations; and to raise and appropriate the sum of $16,229.72 for this purpose; and to establish the Board of Selectmen as agents to expend.

ARTICLE 28 - It was voted to authorize the Board of Selectmen to create a Kingston Business Development Committee and appoint nine members, for the purposes of developing an economic development plan to attract business and industry to the Town.

ARTICLE 29 - It was voted to raise and appropriate the sum of $5,000. for the Kingston Business Development Committee to develop an economic development plan for the Town of Kingston.

At this point, Joline Bell wanted to have Article 19 reconsidered, but the Moderator ruled her out of order, regarding Capital Reserve withdrawal without being warned properly. Atty. Stephen Hermans advised the voters.

ARTICLE 30 - It was voted to raise and appropriate the sum of $6,250. for the purchase of the ACCU-VOTE ES-2000 optical scan vote tabulator for the purpose of electronically counting ballots. This Article was moderated by Richard L. Russman, to enable Electra Alessio to address the voters.

ARTICLE 31 - It was voted to raise and appropriate the sum of $200. for "A SAFE PLACE", a private, non-profit organization which provides emergency shelter and support services for victims of domestic violence and their children. "A SAFE PLACE" serves the residents of the Town of Kingston.

ARTICLE 32 - It was voted to raise and appropriate the sum of $750. to assist the Greater Haverhill Pregnancy Center, a non-profit organization, in providing services to over 2,000 women and their children in this area.

ARTICLE 33 - It was voted to raise and appropriate the sum of $1,000. to assist Crossroads House, Inc., a non-profit organization, in providing emergency shelter and transitional housing services to the area's homeless population. During the discussion, an amendment was introduced by Carroll Wright to cut the appropriation to $750., but this amendment was NOT passed.

ARTICLE 34 - It was voted to raise and appropriate the sum of $1,150. to the New Hampshire SPCA to support the many services they provide to the Town of Kingston, including: Sheltering and Adoption of Homeless Animals, Impoundment Facilities, Lost and Found Services, Animal Cruelty/Neglect Investigation, Assistance to Animal Control Officers, Public Information Services and Referrals, Education Programs and Services, Pet Therapy, and More.

Again, Article 19 reconsideration came up. This time it was Ralph Dumke who wanted to introduce the following: "to raise and appropriate $31,000. for the development of recreational fields/facilities and to authorize the withdrawal of same from the Capital Reserve Fund. When the voice vote was uncertain, the Moderator asked the following tellers to assist in a standing vote. Results were YES 65 and NO 67; so the article could not be reconsidered. It was then voted to restrict consideration of this article for tonight, on a motion made by Jeremy Russman, Selectman. (Tellers: David Conant, Edward Conant, Sheila Briggs and Donald Eadie)

ARTICLE 35 - It was voted to raise and appropriate the sum of $3,000. to be used for fireworks at a July 4th celebration in Kingston. An amendment, made by Jef Flanders-McDougall, "to have the fireworks on July 4th and said fireworks to be sent out to bid", was NOT passed.

ARTICLE 36 - It was voted to indemnify and save harmless for loss or damage occurring after said vote, any person employed by it and any member or officer of its governing board, administrative staff or agencies, including, but not limited to Selectmen, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office, as set forth in RSA 31:105 Law of N.H. This authorization will remain in effect indefinitely until rescinded by a vote of the municipal meeting.

ARTICLE 37 - It was voted to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19. This authorization will remain in effect indefinitely until rescinded by a vote of the municipal meeting.

ARTICLE 38 - It was voted to authorize the Board of Selectmen pursuant to RSA 31:95-e, to accept gifts of personal property, other than money, which may be offered to the Town for any public purpose. This authorization will remain in effect indefinitely until rescinded by a vote of the municipal meeting.

ARTICLE 39 - It was voted to authorize the Board of Selectmen to sell surplus goods and equipment from various departments at public auction or by sealed bid. This authorization will remain in effect indefinitely until rescinded by a vote of the municipal meeting.

ARTICLE 40 - It was voted to authorize the Board of Selectmen to sell tax deeded property, except water-front property, in accordance with the Public Land Acquisition Ordinance adopted March 11, 1986, at public auction or by sealed bid. This authorization will remain in effect indefinitely until rescinded by a vote of the municipal meeting.

ARTICLE 41 - It was voted to authorize the Board of Selectmen to sell at public auction or by sealed bid, a parcel of Town Property, known as Tax Map U4, Lot 95; said parcel not be used as a building lot.

ARTICLE 42 - It was voted to amend the Cemetery By-Laws by adding the following section. "G. There will be a $25.00 charge for installing a Veteran's Marker. Said charge to be collected through the funeral director and made payable to the Trustees of the Trust Funds."

ARTICLE 43 - It was voted to accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year.

ARTICLE 44 - It was voted to authorize the Tax Collector to allow a deduction of 1½% from Town Property Tax when payment is made within 30 days of billing.

ARTICLE 45 - It was voted to accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year.

ARTICLE 46 - It was voted to require that the creation of any permanent full time or permanent part time position be submitted to the voters at Town Meeting for approval.

ARTICLE 47 - It was voted, as amended, to require the Board of Selectmen and the Municipal Budget Committee to hold a joint public hearing prior to the approval of any non-recurring capital expenditure exceeding $4,000. Items normally used as a complete package (eg. small tractors with mowing/snow removal equipment or computer systems, shall not be unbundled and the parts purchased separately to contravene the intent of this article. Recurring items shall be subject to Town Meeting by Warrant Article, the first year only. The amendment was made by Donald Eadie.

ARTICLE 48 - The Moderator announced the Scouting for Food Program to be held this Saturday, March 18, starting at 10 A.M.

The following resolution, introduced by Lesley Hume, was adopted:
"Be it resolved that all principal signers of petition warrant articles be personally notified by Board of Selectmen and Budget Committee of the dates of the public hearing reviewing said petition warrant articles."

It was voted to adopt the grand total of the budget and all articles at $2,688,997.30.

Selectman Jeremy Russman thanked the entire 300th Anniversary Committee for a job well done in 1994.

Meeting was adjourned at 11:20 P.M.

RECOUNT

On March 16, 1995, the following letter with the $10.00 fee was received by the Town Clerk:

"I, Travis A. Jones, as required by R.S.A. 669:30, this 16 Day of March, the year 1995, make written application to the Town Clerk of Kingston, N.H. for a Recount of the ballots cast for the office of selectman. This application is within the three day period given all candidates.

(signed) Travis A. Jones
3-16-95"

After receipt of this request, the following Order of Notice was issued by the Town Clerk:

"TO: Electra L. Alessio, Moderator
Vincent Falls, Candidate
Ellen L. Faulconer, Candidate
Travis A. Jones, Candidate
Stamatios Yiokarinis, Selectman
Donald W. Briggs, Jr., Appointed to Recount Board
Malinda McPhee, Appointed to Recount Board

You are hereby notified in compliance with RSA Chapter 699:31 that there will be a recount of all ballots cast for Selectman (three year term) in the election of March 14, 1995, at 2:00 o'clock in the afternoon (2:00 P.M.) on Wednesday, March 22, 1995 at the Kingston Town Hall upstairs.

(signed) Bettie C. Ouellette
Kingston Town Clerk"

RESULTS OF RECOUNT

On March 20, 1995 at 2:00 o'clock in the afternoon, the Recount took place at the Town Hall upstairs. The Recount Board consisted of the Moderator, Electra L. Alessio; Town Clerk, Bettie C. Ouellette; Stamatios Yiokarinis, Selectman; Police Chief, Donald W. Briggs, Jr., Appointed to the Board by the Moderator; and Malinda McPhee, Appointed to the Board by the Moderator.

The ballots were brought upstairs from the Town Hall vault by Alan J. Krauss. At 2:07 PM, the seal was broken by the Town Clerk and the Recount started. The following results were obtained and announced by the Moderator:

Vincent Falls	96
Ellen Faulconer	515*
Travis Jones	493
Invalid or Blank	35
Total Votes	1139

The Moderator declared that Faulconer was still the winner. The recount session closed at 3:25 PM and the sealed ballots were locked up in the Town Hall vault.

MINUTES OF SPECIAL TOWN MEETING
AUGUST 23, 1995

The meeting was called to order at 7 PM by the Moderator, Electra Alessio. There was a salute to the flag. She introduced Selectmen, Ellen L. Faulconer and Jeremy D. Russman, and Town Clerk-Tax Collector, Bettie C. Ouellette.

The Moderator read the Warrant "To see if the Town will vote to discontinue all portions of Cedar Swamp Pond Road (a Class VI road) running over land of Daviduk shown as Tax Map R-20 Lot 16-1 on the plan entitled "Subdivision Plan of Land in Kingston, N.H. Tax Map R-20 Lot 16" prepared by Paul F. Nichols, C.E., dated June 2, 1995."

After a short discussion, it was voted, by hand vote, to discontinue all portions of Cedar Swamp Pond Road (a Class VI road) running over land of Daviduk shown as Tax Map R-20 Lot 16-1 on the plan entitled "Subdivision Plan of Land in Kingston, N.H. Tax Map R-20 Lot 16" prepared by Paul F. Nichols, C.E., dated June 2, 1995.

The meeting adjourned at 7:13 PM.

BOARD OF SELECTMEN

1995 represented a year of many positive changes and accomplishments for the Town of Kingston.

During this year, Selectmen continued to focus on Highway Safety. The Route 111 connector is now operational with a Spring completion date including the installation of a traffic light at the Main Street intersection. Additionally, after on-going negotiations with the State, and with the aid of the Highway Safety Committee, we are pleased to report that the Route 125 intersection, known as the Route 107 "Jughandle", is being completely reconfigured to address the significant safety issues at this intersection. We're also pleased that this project will be accomplished without the use of Town funds. Another boost to public safety this year was the installation of the 911 emergency response system. The Board extends its thanks to all those who helped to implement this program for the Town.

To further enhance the Town's operating efficiency, Selectmen conducted an extensive review of the operating systems. This resulted in the first complete updating of the Town's computer systems in almost ten years. Purchase of the "Fairgrounds" property was completed after a number of months of negotiations including engineering and legal reviews.

Work has continued to bring Kingston into compliance with federal regulations regarding the Americans with Disability Act. Renovations have recently been completed on the central fire station making the second floor ADA accessible which provides the Town's various Boards and Committees with additional meeting space. This project was able to be completed below original estimated costs. Selectmen continue to target spending in order to hold down taxes. Be assured that Selectmen will continue to work with Department Heads and the Budget Committee toward this important goal.

1995 was the first year for the "Kingston Days" celebration. The Board wishes to express its gratitude to the Committee and other volunteers who made this summer event possible. All three Selectmen not only survived the Dunking Booth but are looking forward to next year's "plunge".

Selectmen extend their sincerest thanks to the many individuals who serve on the Town's various Boards and Committees. Kingston continues to function due to the work of its volunteers and it is the combination of their talents and energy that keeps the Town moving forward. A special thanks to the Town's employees and to Ann, Mary and Kathy in the Selectmen's office for their hard work during the year. The Board of Selectmen also wish to thank all Kingston residents for their continued interest and support.

Despite a long and snowy winter, we optimistically look forward to 1996.

AUDIT REPORT

The audit firm of Grzelak & Co. of Laconia, N.H. is in the process of finalizing its 1995 report regarding the general financial statements for the Town of Kingston. We regret that this report was not available at the time of printing. When the report is received, it will be announced and copies will be available.

Board of Selectmen

CABLE TELEVISION ADVISORY COMMITTEE

1995 produced more rate regulation by the FCC and additional "must carry" stations with some disruption of the existing channel line up. The committee has received requests from residents to add certain channels and delete others which carry duplicate programming or are of no interest to the customer. The Committee chairman is unhappy with some of the "must carry" stations which the FCC has forced Harron Cable to carry via the regulatory process and has made this position clear to Harron management.

The rate raise effective 1-1-96 activated several customers to contact the chairman to protest the increase. Our "Big Brother" - the FCC - through its regulations, allowed all cable companies to increase rates based on a formula that adjusts for inflation and increased fees for programming services from the suppliers. Other cable companies increased fees to their customers by similar amounts as Harron did.

Several residents have suggested that more meetings be televised so that interested persons may stay abreast of town affairs. The committee feels that volunteer camera operators should not be expected to work several more nights each month with no remuneration and only a few of the various meetings being held could be televised.

Thanks again to Jim Rankin and crew for the many events of current and historical interest taped and televised over Channel 51.

POLICE DEPARTMENT REPORT

The year 1995 has been one of change and growth for the Kingston Police Department. The retirement of Chief Neil Parker was the largest change the department has seen in many years. We here at the Kingston Police Department wish Neil and Pat the best years to come.

In 1996, we hope to continue improving services and programs, offering the taxpayers of Kingston the best value for our residents. The main focus of the Kingston Police Department will be to work with residents, young and old, insuring the trust necessary to create a sense of community that will result in a town we can all be proud of. In 1995, the Kingston Police Department responded to 6496 calls for service. This figure represented an increase of 31% over 1994. Our patrol area includes 90 miles of public highways. We currently service 6560 residents, representing 1708 residential homes and businesses.

New to the Kingston Police force in 1995 is Officer Paul Bean, who was hired to fill a vacancy on the force. Paul lives on Mill Road with his wife and son. Also in 1995, two of our most loyal officers received well deserved promotions. James Champion and Rick Theriault were promoted to Lieutenant and Sergeant, respectively. November of 1995 saw the retirement of one of Kingston's officers. We wish the best to Peter Basler. Peter was a part-time officer, serving the town for 13 years.

While the economy appears to be moving towards an upswing, it still remains vital to seek grants and other avenues to fund programs and purchases that may not be covered under the general budget. In 1995, Kingston Police department received a $15,000 grant for community policing, $1,553 for a training grant and another $1,163 for a patrol grant. We also received a surplus 1985 Chevrolet Blazer for department use.

The officers of the Kingston Police Department will continue our goal of providing the most efficient, timely and professional police services to all residents. Let's strive to make 1996 the best year ever. In closing, I would like to thank the dedicated men and women of the department for their outstanding performance during 1995. I also thank you, the residents, for your continued appreciation and support.

Donald W. Briggs, Jr.
Chief of Police

ANNUAL REPORT OF THE KINGSTON FIRE DEPARTMENT

With the end of the year, 1995 has again proved to be another extremely busy year for the members and families of the Kingston Fire Department. Once again, our response to local emergencies has risen over 10 percent more than the previous year. This year, Kingston ambulance attendants treated 446 patients, and the fire trucks responded to 252 fire calls. Kingston Fire Department now responds to 50 percent more calls than just 5 years ago. The problem is magnified by the fact that we now have fewer members than we have had in the past 10 years. Unlike 1994, the severity of the calls has also increased.

I would like to commend each and every member for the incredible amount of dedication they have shown throughout the past year. There is not only an increased demand on their time for emergency response, but also they are required to fulfill a rigorous training schedule. Couple the responses and training hours with fund raising and public education classes, and you begin to see the true picture each active member commits to the town. Members such as Bill Timmons, Sandy and Bill Seaman, Diana Mazur, Don Briggs, Sr., John Merrill, Kevin Schea, Dan Bilodeau and Ken Bartecchi deserve special thanks for their efforts to go above and beyond on an almost daily basis. Also, I am sure there are other members who deserve special thanks. I would like the townspeople to realize that almost every member is asked to go the extra mile several times a year and to show their pride in the Kingston Fire Department.

After nearly a full year of having a second ambulance, I am happy to report the success of the program. The newest ambulance (A1) is used as the primary vehicle, and the older ambulance (A2) is used as a back-up vehicle. The older ambulance is used in bad weather and to respond when A1 is already committed to another call. Also, we use A2 as the primary vehicle on Sundays to assure it is maintained in a response-ready mode at tall times. We have responded with A2 to 70 calls this past year, and all without any increase to the operating cost to the EMS budget. Many of these calls were situations where we would have had to wait 15 to 20 minutes for a mutual aid ambulance. Having a back-up ambulance has truly benefited the residents of Kingston, especially in times of need.

Last year I reported to the town that there was a great need for more people to become involved, especially for day-time calls. This situation has gone from bad to desperate. This year I asked the Fire Wards to request 2 full-time EMT/firefighters for day-time hours. After much discussion, they turned down my request and have started an all-out effort to find more personnel to fill the day-time calls. I feel that daytime membership could be enhanced if the selectmen would attempt something new and begin to work with the fire department. If is my belief that the lack of responders during the day will be the largest problem facing our Fire Department in 1996.

I would like to extend many thanks to the citizens and businesses that continue to support the Kingston Fire Department. It is truly rewarding to serve people who appreciate our efforts and are willing to pitch in when we need their help.

Norman R. Hurley, Chief

REPORT OF THE TOWN CLERK - TAX COLLECTOR

In 1995, there was an increase of $53,597 in Motor Vehicle revenue, compared to an increase of $45,180 in 1994, an increase of $31,008 in 1993, an increase of $13,624 in 1992, a decrease of $19,862 in 1991, a decrease of $22,082 in 1990, an increase of $13,743 in 1989 and an increase of $26,955 in 1988. The total vehicles registered in 1995 (7372) shows an increase of 167 from 1994. Total Town Clerk receipts show an increase of $58,633.05 over 1994. Let's hope this trend continues for 1996.

The following Vital Statistics were recorded: 35 Births, 49 Marriages and 36 Deaths, indicating a decrease of 4 Births, an increase of 5 Marriages and the same number of Deaths.

The Boat Tax Revenue increased by $408.60. The preprinted forms are mailed to all boat owners and these may be validated in Concord or at my office. If you come to Kingston, the Boat Tax portion stays here rather than going to the City of Concord.

More dogs were licensed in 1995 - 817 + 15 groups, compared to 694 + 13 groups in 1994, 825 + 12 groups in 1993, 872 + 13 in 1992, 886 + 13 groups in 1991 and 774 + 10 groups in 1990. The total receipts increased by $3,505.00. In 1996, the Animal Control Officer, Robert Hayes, will still be looking for those dogs that are not currently licensed. Thanks to Mr. Hayes for his cooperation. CHECK YOUR LICENSES. Under a new law, effective January 1, 1995, all veterinarians must send a copy of the rabies certificate to the Town Clerk. Upon receipt of this form, I must notify the dog owner if the dog is not already licensed for that year. All licenses are due April 30th, with a $1.00 per month penalty added after May 31st. Fees are: Males and Females $9.00; Neutered Males and Spayed Females $6.50. A Certificate of Rabies must be shown to the Town Clerk.

There were 170 voter Registrations accepted at my office during the year, as well as 20 party changes and 11 name changes. We do this work in conjunction with the Supervisors of the Checklist.

In 1995, there was one election: Town Meeting March 14.

There will be four elections in 1996: Presidential Primary, February 20; Town Meeting, March 12; State Primary, September 10 and General Election, November 5. Voting is at Town Hall, upstairs. The building is handicapped accessible by using the rear door and the Wheelevator. The polls are open from 8:00 AM to 8:00 PM. Absentee ballots are available for anyone who is physically unable to come to vote, as well as those who are on vacation, working out of town, etc. Call me for information (642-3112).

At Town Meeting, it was voted to purchase the ACCU-VOTE ES-2000 Optical Scan Vote Tabulator. This will be a tremendous help at the end of a long day.

Since January 1, 1990, only Motor Vehicle Dept. can issue 20 day temporary plates. Our office can still service everyone by issuing renewal decals, new passenger plates (up to 8000#), motorcycle plates, trailer plates, as well as transfers. The citizens continue to be very appreciative of these services which we do as an agent for the State of N.H.

We have continued to keep the census figures daily and, as of December 31, 1995, the population was 6577 (a decrease of 29 since last year). In order to keep this census on a current basis, a total of 1291 entries were made. Many large families have moved away.

The Property Tax Warrant of $8,069,098.91 shows an increase of $1,620,677.86. Even with the HUGE increase, as of December 31st, 90.17% was collected (.95% more than last year), leaving a balance due of $793,494.70. Partial payments are accepted at anytime. Also, prepayments for the new year are accepted after April 1st of that year. Appreciation to all for making the tax payments promptly, as the Town needs this for the daily operation. Many of the balances in the Lien Process have been reduced significantly again in 1995. This year the 12% interest started on December 1st and will continue until the taxes go into the Lien Process. The interest then moves to 18% per annum and the owner has two years to redeem the taxes. The 23.75% increase in the tax rate was felt by everyone. I saw many cases of hardship.

The 1995 tax rate was set by Concord and was officially received in my office on October 5th. The tax bills were processed and in the mail on October 14th and they were dated October 16th. The 1 1/2% discount was in effect for the regular 30 day period. Actual due date was December 1st, per State Law.

My thanks and appreciation to all elected officials, Town employees and all Committee Members, especially the following: Ann Sullivan for her splendid cooperation on all tax work; the Selectmen for their continued support; Moderator Ellie Alessio and all ballot clerks and assistants who help me at all elections; Mary Willard for her bookkeeping work; Police Chief Donald W. Briggs, Jr. and his Department for their many services; Building Superintendent, Alan Krauss, for his continued numerous services; also, Jim Rankin, Don Eadie and Maria Haydock for their continued professional advice on the computer. Many thanks again to the Deputy Holly Ouellette, for her continued complete dedication to the Town. Her expertise with the computer system and all the many other officer talents are deeply appreciated by me as well as all the citizens. Holly is also a Notary Public. Also, thanks to Eleanor Childs for all her very able assistance in all phases of the "hundreds of duties".

In 1995, we celebrated "Kingston Days" on the first weekend in August. It was successful in spite of the bad weather. Let's all work together for the 1996 celebration and upcoming events. Volunteers are always needed.

In March, I will be completing 36 years as Tax Collector and 26 years as Town Clerk. The combined office of Town Clerk - Tax Collector has now been in effect for eight years. It has proven to be an efficient combination. I am a Notary Public and Justice of the Peace, serving all departments. I try to get messages to you on the Cable Channel #51.

My sincere thanks to ALL residents for their continued cooperation and support.

Respectfully submitted,
Bettie C. Ouellette

NOT RECOMMENDED BY BOARD OF SELECTMEN

ARTICLE 8: On petition of Marilyn Bartlett and 27 other registered voters of the Town of Kingston, to see if the Town will vote to have the Selectmen appoint a committee of volunteers to draw up a plan to beautify the Plains. Committee to be appointed by April 1, 1996 and consist of everyone who volunteers.

ARTICLE 9: On the petition of Natalie Timmons and 31 registered voters of the Town of Kingston, to see if the Town will vote to direct the Moderator to establish the Kingston Business Development Committee (KBDC) , as a permanent standing committee responsible to the Moderator. This committee is chartered to aggresively pursue corporate and other business entities for relocation to the Town of Kingston, as well as to advocate on behalf of existing businesses. The committee's purpose is to diversify and broaden the Town's tax base in a manner that preserves Kingston's quality of life. The KBDC shall serve foremost and primarily as a task force to increase nonresidential tax revenue.

The KBDC shall be composed of seven citizens appointed by the Moderator. Once appointed, the committee shall meet within 30 days and elect a Chairperson. The committee shall work closely with Town officials and shall, on a quarterly basis, meet with the Chairpersons (or a representative) of the Board of Selectmen, the Budget Committee, the Planning Board and the Zoning Board of Adjustment. The committee shall submit an annual report to the Town.

ARTICLE 10: On petition of Natalie Timmons and twenty-nine other registered voters of the Town of Kingston, to see if the Town will vote to raise and appropriate the sum of $4,679.60 (this figure represents unexpended amounts remaining from the monies appropriated at 1995 Town Meeting) to be used to apply for matching grant funds in order to carry out the duties of the Kingston Business Development Committee.

$2,500 RECOMMENDED BY BUDGET COMMITTEE
$2,500 RECOMMENDED BY BOARD OF SELECTMEN

Pursuant to SB2 having passed the New Hampshire Legislature and signed by Governor Merrill on June 1, 1995, thirty two (32) registered voters of Kingston make the following request.

Pursuant to RSA 40:14 the undersigned legal voters of Kingston request you to insert in the Warrant for the next Annual Town Meeting the following article:

ARTICLE 11: Shall we adopt the provisions of RSA 40:13 to allow OFFICIAL BALLOT voting on all issues before the Kingston Town Meeting?

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT

ARTICLE 12: Are you in favor of the adoption of amendment 1 as proposed by citizens petition for the Town of Kingston zoning ordinance The amendment proposes to change the zoning on Main Street from Rockrimmon Road south to the New Route 11 intersection from Single Family Residential to Rural Residential. The new paragraph will read as follows:

4.31
The Single Family Residential District shall include the area shown as such on the Zoning Map, extending along Rockrimmon Road from the Plains to Ball Road, southward along Ball Road to Danville Road, eastward along Danville Road to Route 111, eastward along Route 111 to Main Street, ending at Main Street. All properties fronting on sections of said roads and those in Tax Maps U-4, *U-5, U-12, R-25 and those properties in Tax Map U-11, with the exception of those with frontage on Main Street, are excluded. In addition, Sections R-24 and ...(remainder of paragraph is unchanged). *U-5 (properties along Route 111, Wadleigh Point Road and Drew Lane)

The Planning Board does not approve of this zoning amendment proposal.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT

Topical Note: Adoption of this amendment will allow the property owners on the above mentioned portion of Main Street to be governed by Rural Residential zoning. This zoning will allow business signs, farm animals, and duplex houses. Many of these already exist and are grandfathered.

ARTICLE 13: Are you in favor of the adoption of amendment 2 as proposed by citizens petition for the Town of Kingston zoning ordinance? Such will result in the citizens electing the Planning Board beginning with the March 1997 election.

RSA 673:2II(b)(1)
The Selectmen shall choose one Selectman as an ex officio member and the remaining planning board positions shall be filled at the next regular Town election pursuant to RSA 669:17. Thereafter, a planning board member shall be elected for the term provided under RSA 673:5.

Note: Beginning with the Town election of 1997, two members will be elected for three year terms, two members for two year terms, and two members for one year terms. The resulting board will elect three alternates

for one, two, and three year terms respectively. In subsequent elections the Town will elect two planning board members each year for three year terms.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT

ARTICLE 14: Are you in favor of adoption of amendment number 3 as proposed by citizens petition for the Town of Kingston zoning ordinance. Pursuant to RSA Chapter 675:4, the undersigned Charles S. Briggs and at least 24 other voters in the Town of Kingston, hereby submit this petition to change the Zoning Ordinance of the Town of Kingston, to add new Section 4 to the Article VI of the Zoning Ordinance to read as follows:

Section 6.40 - Well Radius and Placement

6.41 Definition - the term well shall mean and apply to any hole, pipe, or other means or applications drilled, dug or sunk into the ground for the purposes of the extraction of water or other fluid.

6.42 No new well installed shall be located within:

a. 100 feet of any leach field and/or septic tank
b. 100 feet of any surface waters
c. 25 feet of any drainage culverts
d. 100 feet of any property lines
e. 20 feet of any right-of-way
f. 20 feet of any driveway

6.43 No animals shall be penned or tied within a 100-foot protection radius of any well.

6.44 No well shall be located in any area subject to flooding unless the immediate (15' radius) vicinity is built up or constructed in a manner designed to insure that no flooding of the well shall occur.

6.45 All wells installed must be installed by a person licensed under RSA 489-B by the State of New Hampshire Water Well Board.

6.46 All wells installed shall have a water quality test performed on the well before such well may be used. A copy of the resultsof this test shall be submitted to the Health Officer.

The Planning Board does not approve of this zoning amendment proposal.

SAID ARTICLE TO BE VOTED ON BY WRITTEN BALLOT.

ARTICLE 15: Are you in favor of the adoption of Amendment number 4 as proposed by the planning board for the Town of Kingston Zoning Ordinance as follows:

Amend the Kingston Zoning Ordinance by adding the following as a new section 5.14, Article V, Supplemental Lot Regulations:

The building setback for new construction for properties located along NH Route 125 shall be 100 feet as measured from the centerline of NH Route 125.
Expansions to existing structures shall not encroach beyond the existing building footprint.
For purposes of this section, parking areas, signage, fencing and landscaping treatments are permitted within the 100 foot setback distance.
Septic systems are not permitted within the 100 foot setback distance.

REPORT OF THE TRUSTEES OF THE TRUST FUNDS

Chairperson and bookkeeper of the Trustees, Mary Kanaly, was suddenly taken ill in December and has been unable to perform her duties since then. The remaining trustees have been lost without her and we all wish her a speedy recovery.

Trustee Phyllis Ellis resigned her position as a Trustee in the fall as she was moving out of the area. Mrs. Ellis' position will be filled at the March election when her term was due to expire.

In June of this year, we joined the New Hampshire Public Deposit Investment Pool and are in the process of gradually moving some of our funds into this pool in order to take advantage of the higher rates of return available there.

There were 18 new perpetual care trust funds established in the past year including 1 previously purchased lot. Cemetery maintenance work was performed by George Leate, David Peterson and James Buss.

There were 3 new Capital Reserve Funds established by town meeting last year.

ZONING BOARD OF ADJUSTMENT

The duties of the Kingston Zoning Board of Adjustment are multiple: to grant variances, to allow fair use of a person's property without harming another's, to determine if an error has been made in the decision or determination of a Town Official and to interpret the meaning of a zoning ordinance. In 1995, the Board processed thirteen applications.

The Board extends sincere thanks to other Town Departments and Boards who assist us with their expertise and advice.

Chairman

REPORT OF THE BUILDING INSPECTOR

In 1995, the Town of Kingston issued 134 Building Permits, a decrease of 28 from 1994. Of these permits, 17 were for new single family homes, an increase of 2 from 1994.

Commercially, a permit was issued for a medical equipment repair facility on New Boston Road. There were also renovations at the Carriage Towne Plaza to accommodate the Family Bank and a Day Care Center.

There were also 5 demolition and 5 renewal permits issued.

Building activity remains weak in the entire northeast due mainly to the recessionary economy. It is hoped that the coming year will bring more economic progress to Kingston.

Edmund J. Caillouette
Building Inspector

SOLID WASTE TASK FORCE

The role of the Kingston Solid Waste Task Force is to advise the Board of Selectmen regarding issues related to solid waste disposal, recycling and the future closure of the Town's landfill. 1995 was the second year of the town-wide curbside recycling program. The program continues to be a success with an estimated 65 percent participation. Magazines, catalogs and glossy newspaper inserts were added to the curbside recycling program on January 1, 1995. We continue to collect corrugated cardboard, tires, scrap metal and white goods at the landfill. Waste oil is being collected at the highway garage and is used to heat the building. In 1995, we installed a new collection tank for waste oil within an enclosed concrete dike. We also continued our annual tradition of collecting and swapping furniture and latex paint and participated in a multi-town household hazardous waste collection. It is hoped that the citizens of Kingston will continue to use these opportunities to conserve dwindling space in our landfill and to keep unwanted hazardous materials out of the landfill.

In 1996, the Task force plans to increase awareness and participation in the curbside recycling program through media advertising. Our long term goals continue to be assisting the Selectmen in implementing the landfill closure and planning for the Town's long term solid waste disposal needs once the landfill is closed.

TRUSTEES OF THE LIBRARY

Over the past year, the Building Sub-Committee of the Trustees of the Library has proceeded with the expansion of the library. A determination was made that the current property would not support a structure that provided space beyond the bare minimum that we need today. The committee, with the concurrence of the Trustees, set out to identify other properties that would provide adequate room for the present as well as the future needs of the library.

As part of this effort, the committee interviewed five firms to provide architectural services through schematic design. The firm of Dennis P. Mires, the Architect, of Manchester was selected, and has been supporting our efforts since approximately last October.

We look forward to the continued support of the community as we proceed with the design process.

REPORT OF THE RECREATION COMMISSION

The Recreation Commission has had a very busy and hard working group this year. With the warrant article that passed for the Town to purchase the land formerly known as Kingston Fairgrounds for development of recreational facilities, our efforts have been to get that underway. We have been speaking with various engineering firms and volunteers who have done this type of development and we hope to have a Master Plan to display at Town Meeting of 1996. We hope to have a few of the fields developed in 1996. Fundraising has been slow but steady with the new group of residents known as Friends of Kingston Recreation. Grants will be pursued once our Master Plan is developed. Corporate sponsors will also be approached. We hope to have the continued support of all of you who have donated money and time. We will keep you up to date on all these plans throughout 1996.

Our activities for 1995 have been well attended and enjoyed by many residents. The pre-school Easter and Halloween parties were a great success. The Disney on Ice and Red Sox trips are extremely popular and will continue to be offered to you. Sport teams in town have had great years. We anticipate adding tennis lessons to our programs this fall.

Our Summer program was all new this past summer and the feed back from parents and students told us to keep it this way. We had a much more scheduled and structured program. We will incorporate more art, entertainment and field trips this coming year. We were fortunate to have a great director and a nice group of counselors. Most have expressed a desire to return in 1996.

Christmas was a beautiful season again on the Plains. Our tree was again donated by Kingston Nursery and was, as always, a beautiful one. Our Santa craft and ornament party, which was open to all children not just pre-schoolers, was a success.

All our programs are planned by this volunteer board and we would love to see new faces at our meetings. We meet every fourth Tuesday of the month at 7:00 PM at the Town Hall.

We thank all who have helped this year: volunteer students from the Bakie, Middle and High Schools, businesses and local newspapers for carrying all our information. Special thanks to Ann and Mary in the Selectmen's Office for all their support.

Chair

CIVIL DEFENSE DEPARTMENT

1995 has been a quiet year for evaluation and planning for the Kingston Civil Defense Department. The updating and revision of various emergency plans has been an ongoing process. To assist in planning for emergencies, the Department has recently acquired a computerized version of CHIPS from the State of New Hampshire. CHIPS is short for Capability and Hazard Identification Program for Local Governments. The purpose of this program is to help define potential threats to the Town of Kingston and determine the status of preparedness to respond to such threats.

As part of upgrading the Town's emergency response capabilities, the Department recently acquired an encoder and paging system, at no cost to the Town. This system has been installed at the new Police Station and will be programmed to alert key emergency personnel for the Town in the event of an emergency. This system can alert a single individual or an entire group of people at the touch of a button. The Department also acquired a new portable radio for the Highway Department and purchased traffic cones used for emergency evacuation drills.

Ever mindful of the money the citizens of Kingston provide to fund the Department, I have been able to secure almost $2,800 in Emergency Management Assistance funds. Since the budget for the Department this past year was $2,250, I am proud to report that EMA funding has allowed the Department to operate this year at no cost to the Town providing an actual budget surplus of $550.

This upcoming year will be another drill year with exercises planned in early summer through the fall. The Department's biggest assets are its volunteers. This year is no exception. If you are interested in becoming a volunteer, please let myself or Marilyn Bartlett know.

I look forward to serving the Town of Kingston in the upcoming year. My door (answering machine) is always open.

Kenneth B. Rota

HISTORICAL MUSEUM COMMITTEE REPORT

Several interesting events took place at the Museum this year.

The rear roof developed a bad leak after a strong wind storm. Fortunately, there was no interior damage. Shortly after, a light truck ran into the entrance door to the Museum crushing in the side wall and door casing. Again, there was no damage to the inside contents. The truck owner's insurance covered all repairs.

A new red cedar shingle roof was installed on the cobbler shop; it was greatly needed. This was paid for by the Museum Committee.

A Kingston carriage made by "Carter" was located in Merrimack, MA and purchased by the Museum. It was then purchased by the current Carter families to be put on loan to the Museum. At about the same time, a "Clark" carriage owned by Mrs. Chris Moore was sent to the Museum's Grace Daley Barn on loan to the Museum.
We now have three locally made carriages on display; "Clark", "Carter" and "Marshall". Where is a "Cilley" Carriage?

The Museum would like to acquire any items relating to the Kingston carriage trade for display at the Museum; carriages, photos, displays, artifacts, etc.

We hope you will visit the Kingston Museum and take notice of our display at the Kingston Post Office.

NICHOLS MEMORIAL LIBRARY
1995 ANNUAL REPORT

A Building Committee has been established and an architect hired to find a site and develop a plan for a new library. There is not enough land for an addition at the present location. The existing library was suitable one hundred years ago when the town's population was small. Now it is necessary that the town provide a much larger building. The library cannot satisfy increased requests for services such as automation, Internet, computer usage or handicapped access in the space we have now.

A library survey was mailed to all Kingston residents during the summer. It gave us valuable insight into what people need for library services. We all agree that we cannot satisfy these needs at the current location. We want to thank all those that responded and showed their support.

An inventory/weeding process was started in the adult non-fiction area this year. We will continue with this in 1996 until we complete the entire adult collection. The Children's Room continues to be a very busy place with class visits and toddler tales. Linda Matson, Children's Librarian, also has two sessions of craft/story hour on Wednesdays.

Once again, we want to publicly thank the following people for their generous donations to our collection and support: Judith Arsenault, Mr. and Mrs. Walter Boenke, Henry Chabot, Philip Coombs, Wayne Daggett, Susan Dangremond, Joyce Davies, Caitlin Demers, Asta Day, Pat DiBurro, GFWC Kingston Junior Women's Club, Beverly Hayes, Norma Jervis, the Christopher Long Family, Mr. and Mrs. Robert McDougall, Susan O'Toole, Vinny Palumbo, Cindy Perkins, Jim Rankin, Larry Rich, Pat Rouillard, Donna and Walter Roy, Mr. Silvers and the Carroll Wright family.

KINGSTON CONSERVATION COMMISSION

The KCC has had a busy year of Lake Water Quality studies and land management plans. A Forest Management Plan completed in November has given many possible uses of the Hunt Road Town Forest including recreation trails, nature study sites, and timber management. This project is led by Dave Ingalls. We would like to have an expanded committee to implement these proposed uses this coming year.

The Water Resources mapping project is almost complete. We are waiting for the final draft maps from the Rockingham Planning Commission. These maps will provide a picture of Kingston's natural resource zoning ordinances and will aid the Planning Board in Master Plan revisions and an updated Town Zoning Map.

The Wetlands Inventory is also on-going. This season's work was done in the Powwow River Watershed. Kingston is also in the Exeter River Watershed area and to the South, the Merrimac River watershed. Wetlands in these areas need to be inventoried this coming year - it's not a complex process, but it does involve site walks as well as office work - we train!

Thanks again to the volunteers who have faithfully taken samples and gauge readings for the Kingston Lake Water Quality Study. Because of the sparse rainfall this summer, some sampling points ceased to flow, so we will continue monitoring next season as well. The Citizen's Advisory Committee has been collecting both historical information and land uses around the lake that can affect water quality. An interpretive report will be completed by the NHDES Biology Department this coming year with recommendations to restore lake water quality.

This past year, the Town has wrestled with Shoreland Protection Regulations, which requires review of land uses within 300 feet of our Great Ponds and rivers. There are limitations on building, tree clearing and bank alterations to minimize erosion and fertilization, which contribute to accelerated weed growth and algae blooms. Another contributing factor to lake deterioration is the conversion of seasonal to year-round residences. Lakes and shoreland are losing their seasonal recovery time and wetland buffers are disappearing. We will be presenting a public information night and series of articles this spring.

The year end balance of the Conservation Fund is $2046.98; Forest Fund is $2046.20. There has not been any use of the Conservation Fund this year and an expenditure of $1600 from the Forest Fund for the Hunt Road Management Plan.

This summer we hope to open our LCIP lands for the public's use, so we are looking for citizens willing to serve on monitoring committees: lots to do - everything from parking areas to routine site walks. Educational uses of our conservation lands are also being developed. Please consider giving a bit of your time to our summer projects. We cannot put these plans into action without lots of help. Just put your name, address and phone number on a post card, and mail it to P.O. Box 223 - or drop it off at the Town Hall.

HUMAN SERVICES DEPARTMENT ANNUAL REPORT

Another year has ended and the Human Services Department has helped many families in need. Kingston's population has grown in recent years and with this growth has come the need for more services. Many people became unemployed in 1995 and were forced to turn to the Town for assistance.

The Human Services Department also operates the Kingston Food Pantry. In 1995, many families received food baskets and gift certificates during the Thanksgiving and Christmas seasons. Also in 1995, the Food Pantry distributed approximately $7562 worth of food to those families in need of assistance. This has been made possible through the generosity of residents and non-residents alike. Their contributions have helped the Food Pantry to keep functioning. The Food Pantry is open year-round to serve the community.

I wish to thank the following for their donations in 1995:

Kingston Mobil Mart - Route 125
VFW Post 1088 & Ladies Auxiliary
William R. King
Dorothy E. Bartlett
Harry and Dena Snow
Kingston Junior Women's Club

HIGHWAY DEPARTMENT
1995 ANNUAL REPORT

I would like to thank the Board of Selectmen for allowing me to spend all the monies that You, the Voters, approved at Town Meeting to be spent on highway improvements. This is the first time in many years that monies have not been used for other projects. I hope this will continue.

January 1995 was very mild. In fact, we actually graded the dirt roads as there was no frost in the ground. We had a snow drought most of the winter months (January, February, March) with only 34 inches of snow. As you know, however, November and December buried us! We did have a lot of rain and freezing rain during the winter months.

During spring, summer and fall, we were busy doing our normal repairs and improvements on the roads. We sealed about 4 miles of roads and paved about 3.5 miles of roads. We also completely rebuilt Shore Road from the base to the binder. Most of the work on Shore Road was done with the Highway Department crew and equipment. I thank the crew for a job well done!

Thanks to the Voters for your support at the last Town Meeting! This year we will be asking you to fund $35,000 to replace a worn out 1986 Chevy dump/plow truck and to fund a much needed fifth full-time highway worker.

If you have any questions, please contact me at the highway garage, 642-8042.

Richard St. Hilaire
Road Agent

KINGSTON HIGHWAY SAFETY COMMITTEE

The Kingston Highway Safety Committee determined that the Rte. 107N and Rte. 125 jughandle intersection project must be added to the State's Transportation Improvement Plan, otherwise no work would be performed on this dangerous intersection. During the project selection process in April this project received the highest score in the region. The Department of Transportation (DOT) has now agreed that this project will go forward and be completed sometime in 1996. The State will fund the cost of the entire project. This is a major victory for Kingston.

The next project on the committee's agenda involved widening Rte. 125 at the Old Mill Rd. intersection (Pond View Restaurant). The DOT personnel completed this work at no cost to the Town. This road improvement has created more space for turning traffic, while allowing traffic to proceed north on Rte. 125 uninterrupted. We hope that a similar project at the Kingston/Plaistow town line will go forward in 1996.

The 1995 Road Safety Survey was mailed to each home in Kingston. The purpose of the survey was to proved the committee with direction as to which projects it should pursue during 1996. currently, the Committee is reviewing the responses and developing a plan to address the issues identified. The Committee would like to thank the 300 plus residents that took the time to complete the survey.

Last June, NH State Senators Russman, Lovejoy and Rep. David Welch submitted Senate Bill 593-FN-A calling for a comprehensive study of the Rte. 125 corridor from Plaistow to Rochester. The seven communities that border Rte. 125 have struggled to deal with dramatic increases in traffic accidents and development. The purpose of the study is to identify road construction projects and develop a highway access management plan. This legislation will greatly reduce the final cost of highway projects both at the State and local level. The Kingston Board of Selectmen, Planning Board, Safety Committee, Chief Briggs and State Representatives support this legislation. The Senate Transportation Committee approved the bill unanimously on January 17, 1996. Senate Bill 593-FN-A will next be reviewed by the Senate Finance Committee.

The Kingston Highway Safety Committee Members

Selectman Jeremy Russman	Rep. David Welch	Henry Chabot
Shirley Tripp	Chief Don Briggs, Jr.	Rep. John Flanders
Michael Coon	Sandy Whitney	

The Committee would like to thank the residents of Kingston for their continued support. The Committee meets on the second Tuesday of every month and we invite residents interested in highway safety to attend.

Lesley-Ann Hume, Chair

KINGSTON PLANNING BOARD

1995 was another busy year for the Kingston Planning Board. Many new businesses and subdivision applications were heard by the Board. The diverse experience and technical expertise of the Board members contributed greatly to the orderly and complete review of each proposal presented to the Board. The members are to be commended for their ability to effectively balance the Town's zoning regulations and ordinances with the need for controlled growth and expansion of the business sector of the community.

The present Board members include Ms. Marilyn Bartlett, a former Selectman and long-time contributor to a variety of boards and civic projects; Ms. Fran Beaudry, a corporate officer in a manufacturing business; Ms. Diane Eadie, a long-time Board member and the current Chairman of the Conservation Commission; Mr. George Henshaw, another long-time member and valued contributor to the Board; Ms. Leslie Hume, a life-time Kingston resident and attorney; Mr. Mark Marino, a local police officer; Mr. Ken Weyler, another long-time member of the Board and State Representative; Ms. Ellen Faulconer, the Selectmen's representative to the Board; and myself, Mr. Mark Hammond, MIS Director for a New Hampshire based international manufacturing and contracting firm.

These Board members volunteer the time and effort necessary to ensure that the interests of both the applicant and the citizens of Kingston are represented in a fair and impartial manner. They have spent countless hours at work sessions and site walks to better prepare themselves for the decision making process. One noteworthy project undertaken by the Board, in concert with the Board of Selectmen, was the complete review and development of new town maps, including an accurate mapping of the separate zones within Kingston, which are intended to be used by all Town agencies and citizens.

Glen Greenwood, the Rockingham Planning Commission Circuit Rider Planner, continues to be an invaluable resource to the Board. His services are contracted to provide technical and practical advice to the Board. He provides a complete technical review of each application for its compliance with Town regulations. He also holds regular office hours in the Town Hall so that any member of the public may have their planning and zoning questions answered.

On behalf of the Board, I would like to thank the residents of Kingston for your support and input at the many public hearings held during the past year. Without your participation in the planning and development process, the Board would not have been able to accomplish as much as it did. I look forward to your continued attendance and input at future Planning Board meetings.

KINGSTON BUSINESS DEVELOPMENT COMMITTEE ANNUAL REPORT

Although the committee wasn't appointed and begun until the end of July, we have accomplished quite a bit.

During our first meeting we defined our mission as, "to develop a business and economic development plan that will help offset the tax base yet preserve Kingston's quality of life." It is a delicate balance that we are diligently mindful of as we work to prepare recommendations to present to you in March.

We have developed a structure for the committee and formed four separate subcommittees: Zoning & Land Availability Subcommittee; Business and Resident Survey Subcommittee; Grant & Programs Subcommittee; Community Models Subcommittee. These subcommittees have served as the work horses of the main committee.

As you read this, we have accomplished the following:

* Reviewed Kingston's current Zoning Ordinances, of which there are seven, with very little currently available in the way of commercial/industrial.
* Research areas suitable for commercial development.
* Reviewed current land use within the Industrial Zone to determine what is available for commercial development.
* Brought in outside experts to educate committee members about available state, regional and local economic development resources including the NH Business Visitation Program, the Rockingham Economic Development Corporation and the Brentwood Industrial Committee. (Most presentations by outside experts have been videotaped and are available for public viewing.)
* Compiled and developed a computerized database of companies doing business in Kingston. At last count there are approximately 250.
* Distributed and tabulated the results of a survey of 250 businesses located in Kingston to determine what makes Kingston an attractive place to do business and what may be potential barriers to doing business in Kingston.
* Conducted an informal survey of businesses who considered locating in Kingston but ended up elsewhere.
* Facilitated inquiries from businesses interested in relocating to Kingston.
* Conducted many activities to keep the public abreast of the committee's efforts, including sending letters to the editors of local newspapers, holding monthly public meetings, presenting reports at televised Selectmen's meetings and more.

As of this writing, there is still much to do. We hope you will continue to support our efforts. With your support we will work to bring businesses to Kingston that will offset the tax base, yet maintain Kingston's unique quality of life.

Natalie Eve Timmons
Chairman

IN MEMORIAM

JOHN J. REINFUSS

1944-1995

The Town of Kingston was saddened this year by the death of John J. Reinfuss. John served the Town and community in many capacities.

He was born in Lynn, Massachusetts and graduated from Lynn English High School. In 1970, he was graduated from Bentley College. For many years he owned and operated an accounting and bookkeeping firm, "Tax Ability", in Kingston.

In addition to participating in many Town Boards and Commissions, John served four terms as a Selectman. He was a member of the Kingston Lions Club and was King Lion in 1985 and 1986. After moving to South Carolina, he became a member of Myrtle Beach Lions Club.

The Town of Kingston has been truly fortunate to have had John's knowledge, experience and dedication. His contributions will be remembered and he will be missed.
